Project Description	<u>About the company:</u> ClassMate is built on the belief that every student deserves the tools to thrive. Like that ideal classmate who always reminds you what's due, how much it's worth, and cheers you on when you need it most, ClassMate is there to keep you on track. By streamlining time management and setting clear academic goals, we create a smarter, simpler path to organization. Our vision is to reduce stress, boost productivity, and give students the confidence to succeed on their academic journey. <u>About the project:</u> This project is dedicated to creating a tool that puts students first. The application will allow students to track assignments, stay on top of deadlines, project their marks, and manage their course load with ease. By combining academic organization in one hub, the system is designed to reduce stress and support students in achieving their goals.							
Problem/ Opportunity Assessment *	<i>Please describe current state problem/opportunity that describes the nature and extent of the problem (factual, quantified, concise), or that outlines a chance for advancement or progress.</i> <table border="1" style="width: 100%;"> <tr> <td style="width: 10%;">1.</td> <td>Students struggle to keep track of deadlines for multiple courses, resulting in late or missed submissions.</td> </tr> <tr> <td>2.</td> <td></td> </tr> <tr> <td>3.</td> <td>Students often lack timely visibility into their academic progress, making it difficult to know if academic goals are achievable.</td> </tr> </table>		1.
